### our mission

To spark authentic and meaningful connections with ourselves, each other, and our communities.

#### **Fajita Instructions**

- 1. Heat a heavy-bottomed pan over medium-high heat. Add oil and heat until shimmering, and then add onion, bell pepper, and broccoli if using. Cook, stirring only occasionally so the veggies char, for 5 minutes.
- 2. Add garlic, salt, oregano, and a few grinds of pepper, and continue to cook until softened but still crisp, and well charred, about about 4-5 minutes. Set aside.

## costume theme

The Better Together festival's "Dress Up, Get Down" costume theme is:

### **EXPLORERS**

Grab your hats, spacesuits, snorkels, binoculars, festival guides, fanny packs and more to explore environments. Put on your sequin kimonos, wigs, and onesies to explore new sides of yourself – or wear something from somewhere you've explored that brings you joy.

Humans are often trying to find themselves, and we believe that exploration in a space which celebrates authenticity, diversity, and creativity is one way we can do it together. We invite you to explore the community, music, digital space — whatever is next on the frontier for you!

### our vision

We believe cultivating experiences and connections where people feel seen, loved, and appreciated have the power to be deeply inspiring and impactful; empowering others to discover new appreciation for the human experience.
